About us :

BAM Light Company was established in 2004 in the field of electric materials

With the unique quality and design of its products and a 1 to 3 year warranty, it has earned a solid and reliable reputation with its customers.

Having its own factory in China and increasing customer trust with a consulting team, good design and quality has been able to keep its products at a very high level and meet the demands of customers, markets, projects and reliability.

After more than 19 years of experience in our field in an effort to improve the level of the company's employees, I provided training courses on service and methods of dealing with customers for the employees,
To improve the quality of its products, it takes customer opinions into consideration to always be in the forefront.

BAM Light Company offers all lighting and electrical products such as: (spotlights, keyboards, liner, magnets, projectors, garden poles, brackets, decorative lamps, doors, chandeliers, crystals)

BAM light brand has become a reliable source for major projects in Kurdistan and Iraq.

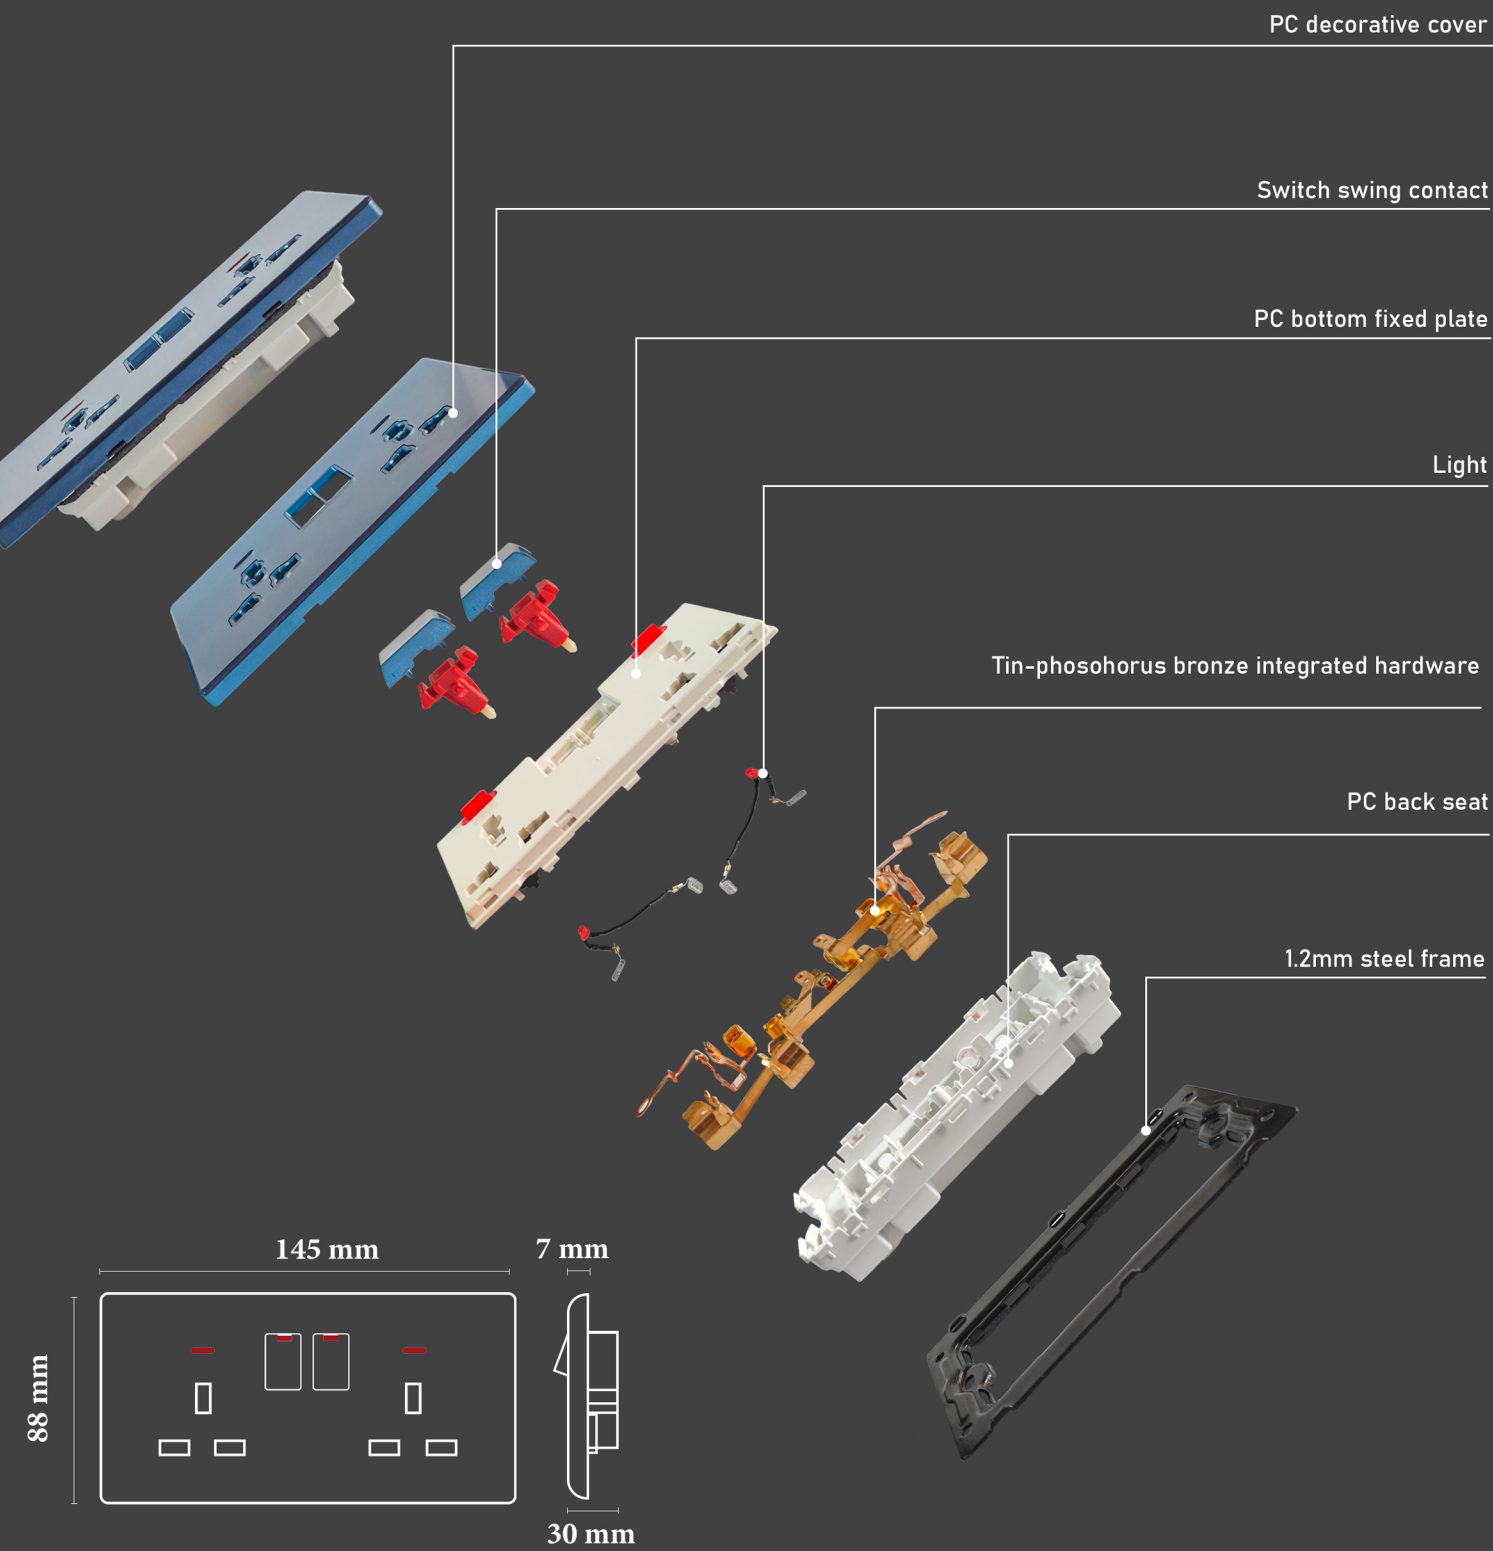

Reasonable prices, high quality, long warranty and lighting are the distinguishing features of our products.
